

### **Task Analysis: Buying an item in a shop**

For assessment purposes, give the individual a list with item(s) on it, and give them appropriate amount of money.

1. Enters shop
2. Goes to correct section in shop
3. Scans shelf
4. Finds correct item
5. Goes to till
6. Waits in queue (if appropriate)
7. Sets item on counter
8. Looks at shop assistant\*
9. Greets shop assistant\*
10. Gives appropriate amount of money when asked
11. Waits for change (if appropriate)
12. Thanks shop assistant\*
13. Lifts item
14. Leaves shop

\*These are additional social skills which are not essential to completing the task independently. These can be scored separately from the essential steps.
