When I go to the mall, I have fun.

At the mall, there are a lot of different stores I can go to.

I stay with an adult when I am at the mall. I don't walk by myself. We go into different stores. Sometimes we buy things.

If I want to go to a store, I can ask. I can say, "Can we go into that store?" I don't just go into a store without asking.

I like going to the mall. When I have good behavior, I have fun.
