

## Hair washing

I am going to wash my hair every Tuesday and Friday evening.

It is important to wash my hair because:

1. Dirt and germs can gather in my hair and this can make my head itchy.

2. Dirt in my hair will also make an unpleasant smell. My family and friends might not like this smell.

3. My hair will start to look greasy.

I will wash my hair every Tuesday and Friday. This will make my hair look and smell lovely.
