

Playing Games ...

I like to play games and win. Everyone likes to win!

When I win, I can say things like, "Good game," "That was fun," "I had fun playing with you," or "Want to play again?"

Sometimes I lose. This makes me feel mad. I don't like losing.

Sometimes when I lose, I yell and get mad, say mean things or leave the room.

When I get mad and yell, this makes the other players sad and they will think that I am mean.

People will not want to play games with me. This will make me sad.

When I lose, I need to stop, take a **deep breath** and remember to think, "**It's OK, maybe I will win next time.**"

I can then say, "Good game," "That was Fun,"
"I had fun playing with you," or "Want to play again?"

Other people will be happy and want to play games with me if I
remember to not get mad.

I am happy when other people want to play games with me. It will
make my family and teachers happy too!
